

Scholarship Reception Parking Guide

October 27, 2022
4:00 pm to 6:00 pm

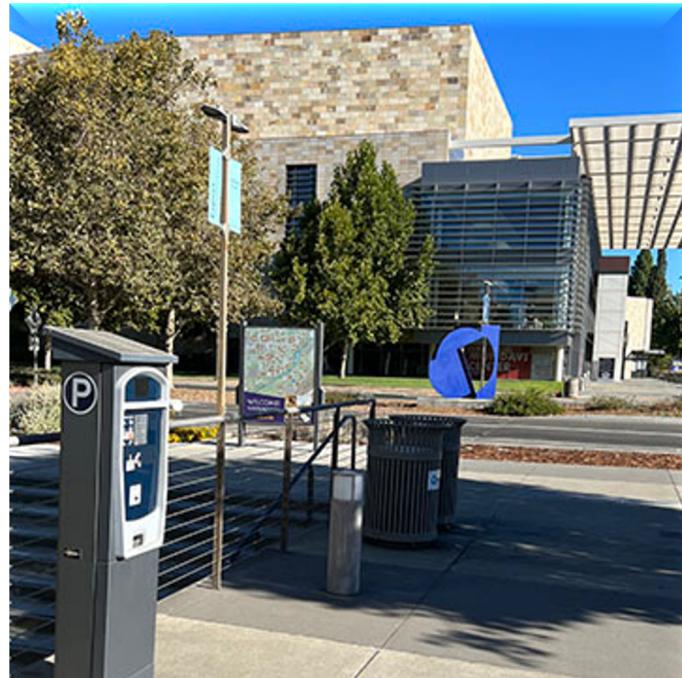

Carpool—We encourage you to carpool with your friends, if you plan to park on campus.

On Campus Parking Options (Hourly or Daily) and Costs

1. Hourly parking: Use the “Cosmo” parking permit dispenser. Park in a ParkMobile C Zone in the Gateway parking garage or in Lot 1. Write down or take a picture of your license plate number. Purchase a permit from one of the gray permit dispensers located at the front of the **Gateway Garage parking structure and in Lot 1 behind the Shrem Museum**. See map on page 3 for locations. The dispensers accept Visa and Mastercard only; they do not accept cash. **You will need to input your license plate number at the dispenser.**

Rates: \$1.75 for 1 hour, \$2.75 for the second hour, \$3.75 for the third hour. For our event, three hours of parking should be sufficient for a total of \$8.25.

Note: Do not park in an A Zone. The first floor of the Gateway parking structure is in the A Zone. You can tell which zone you are in by looking at the Parkmobile Signs. **See the illustration of a sign on page 2.**

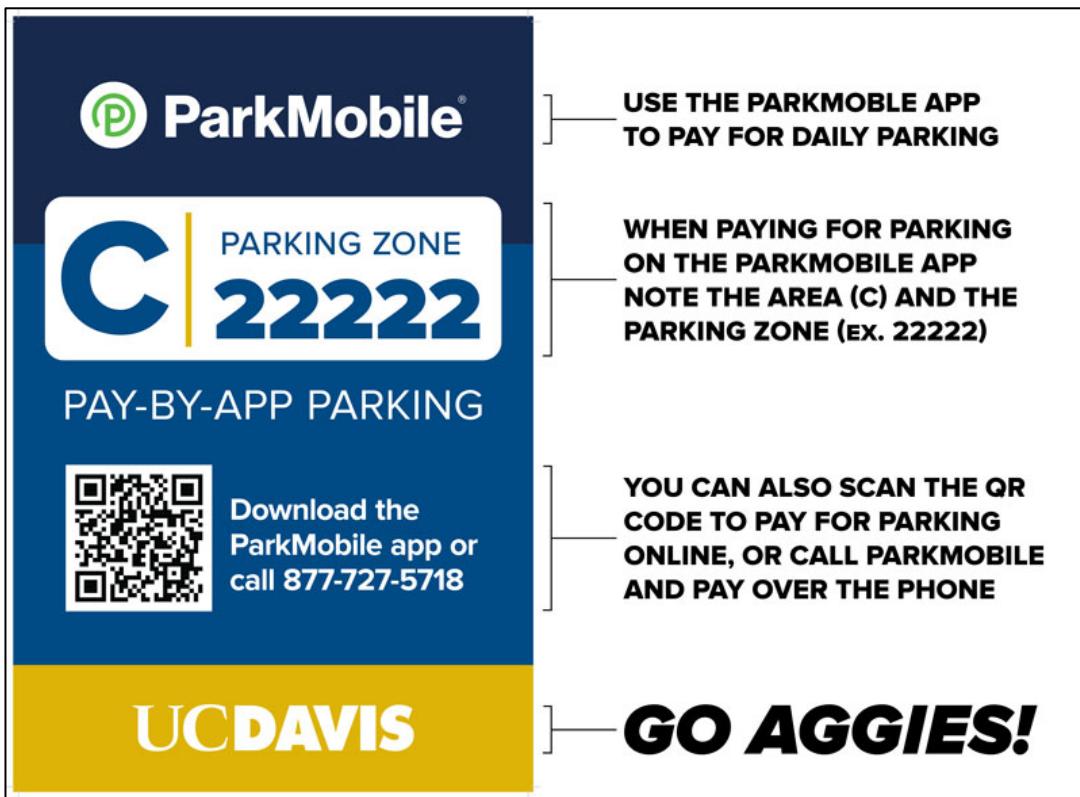

We will have parking attendants stationed by the permit dispensers to assist you.

If you have a disabled person's placard/plate, you may park in any disabled space without purchasing a permit. If none are available, you can park for free in a ParkMobile C Zone.

If you are a retired UC employee with a parking permit, you may park for free in any zone.

2. Daily permit: You can also purchase a daily visitor permit for \$15 from the gray permit dispensers, or by using the ParkMobile App. It will be more cost effective for you to pay for hourly parking, using the permit dispenser, unless you are parking for more than 4 hours. If you use Parkmobile, you have to pay the daily rate.

ParkMobile—If you wish to use ParkMobile, be sure to download the app before coming to the Reception. To get started, you just need to:

[Download the ParkMobile App](#), available for iPhones and Android devices

1. Set up your account (email, license plate number, payment type)
2. Upon arrival—Open your app and enter the ParkMobile Zone Number where you are parking. It is located on the ParkMobile sign. Be sure to park in a ParkMobile C Zone, not an A or other lettered zone.
3. Follow the prompts on your phone to pay.

The Bueller Alumni Center is located on Alumni Lane, between the Mondavi Center and Gallagher Hall.
